This list of meeting attendees is not complete. There were so many people I did not get everyone's names/calls.

The minutes of last club meeting were accepted.

Glen - KD7JBX - said the club has money in its account, at least enough to cover cost for the pizza (hi hi). His Treasurer's report was approved.

Preparations and plans were made for field day. We're hoping for sunny weather.

The meeting was adjourned about 7:40PM and many went to Pizza Hut for pre-Field Day camaraderie and food.
